

WHAT MAKES THE DIFFERENCE?

In a New-Talent-Management Process, the Talent decides as often as possible. The Talent is going in the „Kitchen“ as a „Chef“ (Cook) - not eating what was served. He/she becomes the leader of his/her own development.

1. What does it mean to be a Talent in this company?
2. Do I want to be/become a Talent?
3. What could I do to test if I am a Talent?
4. Do I want to become visible as a Talent?
5. Which feedback do I need to improve?
6. How do I build my network?
7. How could I gain early (real) experiences?
8. What are my best next steps?
9. What step will I take?
10. What are my best next steps?
11. What step will I take?
12. What are my best next steps?
13. What step will I take?
14. What are my best next steps?
